

Food Pantry Ministry - Volunteers Needed

We have an immediate need for a few families or individuals to help pass out bags monthly after mass, and or collect and deliver food for the SVDP Boulevard Place food pantry!

We collect about 20,000 pounds of donated food from IHM for the food pantry, mostly during 4 major food drives for Thanksgiving, Christmas, Lent/Easter and summer holiday. The pantry distributes food (70% comes from parish donations) to neighbors within the boundaries of the five parishes here in Meridian Kessler area.

This is a great service opportunity for individuals or families to work together for a local Outreach. Plus, it can provide a steady source of service hours for adults, and for kids from grade school to high school and beyond. We've had families work together for 10 years in our Outreach!
