## Thirteenth Sunday in Ordinary Time

*"For you were called to freedom, brothers and sisters. But do not use this freedom as an opportunity for the flesh; rather serve one another through love." (Galatians 5:13)*

We like to celebrate the fact that we are free to "live the good life." But Jesus calls us to a different kind of freedom. St. Paul reminds us that Jesus sets us free so that we can serve one another, share our gifts and promote God's work here on earth to glorify His name and not honor ourselves.

NOTE: The Parish Office Summer Hours are 9:00 am - 3:00 pm M-Th & 9:00 am - 12:00 pm F.

**Dear IHM Community,**

Thank U to all who planned and carried out the “farewell” gathering for me at Coffee and Donuts on June 16. I deeply appreciated the opportunity to say “good bye” to a faith community that has become very important to me since I joined in 2007. I was very happy during my time here to share with so many in bible studies, at prayer services, during parish missions and in many other moments that make this parish so unique and special. As I move into the next chapter of my journey as a Sister of Providence at Saint Mary of the Woods, I will carry you in my heart and keep you in my prayers. If you need some extra energy in that regard, just email me at [ccampbellsp@hotmail.com](mailto:ccampbellsp@hotmail.com) and I will take your request in prayer to God during my weekly time of adoration in our Blessed Sacrament Chapel. I will send you info from time to time about special retreats and celebrations at St. Mary of the Woods that might interest you. SMW is only 76 miles west of Indianapolis via Rte 40 or US70. God bless each and everyone of you.

Peace, Sr. Cathy Campbell, SP

**SAVE THE DATE!! IHM Ministry ~**

Healthy Haughville is back again this summer, and we would love your help! The event this year is on Saturday, July 13th, from 9-11:00 a.m. This is a great way to connect with the communities of both St. Anthony and Haughville by helping with health screenings, passing out school supplies, hygiene products and lots more. If you’ve helped in the past, we’d love to see you again, if you haven’t been able to, we would love to have you join us. Of course, there will also be an opportunity to donate school supplies and hygiene products that will be passed out at the health fair. This is a great way to earn service hours for grade school or high school students, help others as a family, or meet and work with other IHM parishioners. Please email Sheila McNelis [smcnelis@marian.edu](mailto:smcnelis@marian.edu) or Jennifer Kappes [jenniferkappes@gmail.com](mailto:jenniferkappes@gmail.com) with any questions or to volunteer. We are looking forward to another successful health fair!

### Outreach Corner

#### Catholic Charities Ministry to Combine Housing and Healthcare Services

Catholic Charities USA (CCUSA), with five Catholic Charities member agencies, has launched a Healthy Housing Initiative that combines health and housing services to help homeless people remain off the streets. The five agencies are Catholic Charities of Southeast Michigan, St. Louis, Southern Nevada, Portland, and Eastern Washington. The initiative sets three main goals to achieve by 2025 in each of the agencies' cities, and it assumes the collaboration of local arch/dioceses, Catholic health systems and other partners such as financial institutions and government entities:

1. Reduce chronic homelessness by 20 percent;
2. Decrease hospital readmission rates for homeless persons by at least 25 percent; and
3. Connect 35 percent of newly-housed persons to primary care and behavioral health services.

“The Healthy Housing Initiative is really an outgrowth of one particular agency in Spokane (Catholic Charities Eastern Washington) working to solve homelessness and partnering with a local hospital and telling the rest of the membership about it,” said Curtis Johnson, vice president of Housing Strategy for CCUSA. “We learned from them that housing is a social determinant of health; people who have stable shelter are healthier and use emergency room services less often. So the question became how to ‘co-locate’ health services and residences in other cities.”

The permanent supportive housing model follows the Housing First approach, which prioritizes access to permanent housing for individuals experiencing homelessness. The basic need of safe and stable shelter must be met before other needs like health, employment and/or finances can be addressed. Case managers who have access to affordable housing facilities will provide formerly homeless persons with wraparound services such as eviction protection, job placement and links to primary and behavioral health care services. You can learn more at <https://www.catholiccharitiesusa.org/our-ministry/affordable-housing/healthy-housing-initiative/>.

Here in Indiana, IU Health has recognized the importance of housing to a healthy life and joined forces with other agencies on more sustainable housing opportunities. In response to the needs of those with health conditions who are struggling to maintain safe, affordable housing, IU Health facilitates a number of housing programs designed to assist individuals in achieving and maintaining self-sufficiency, and provide a range of services from homeless prevention to permanent housing. You can learn more at <https://iuhealth.org/in-the-community/south-central-region/housing-services>.
