Fourteenth Sunday in Ordinary Time

"He said to them, 'The harvest is abundant, but the laborers are few...'" (Luke 10:2)

As Catholics we are all called to serve. However, many of us are unsure of what our charisms or gifts from the Holy Spirit are to help build God's Church. Through prayer we are able to discern how God is calling us. The next time your pastor or fellow parishioner asks you to join a committee, ask God first, if that is what He wants you to do with your gifts.

IHM Golf Outing

I'm taking over the IHM golf outing this year for Scott Lowe who's done a great job putting this on in the past. I just wanted to remind everyone that the outing this year will be on **August 25th, 2019 which is the Sunday after the IHM Fall Fest**. I'm working right now to get the details of where we're playing and the cost and everything else but wanted to send out a save the date on when we're playing this year. Typically it's been a men's outing but the past few years we've had a few ladies trickle in to play which is encouraged. Everyone is welcome to play. We will play a scramble format so players of all levels can join in. You will want to get together a foursome of your choice. If you are interested, please save August 25th this year on your calendar and you can email me as well and let me know if you want to play or have questions. My email is canderson1740@thehartford.com Thank you.

Healthy Haughville ~ July 13

Healthy Haughville is back again this summer, and we would love your help! **The event this year is on Saturday, July 13th**, from 9-11:00 a.m. This is a great way to connect with the communities of both St. Anthony and Haughville by helping with health screenings, passing out school supplies, hygiene products and lots more. If you've helped in the past, we'd love to see you again, if you haven't been able to, we would love to have you join us. Of course, there will also be an opportunity to donate school supplies and hygiene products that will be passed out at the health fair. This is a great way to earn service hours for grade school or high school students, help others as a family, or meet and work with other IHM parishioners. Please email Sheila McNelis smcnelis@marian.edu or Jennifer Kappes jenniferkappes@gmail.com with any questions or to volunteer. We are looking forward to another successful health fair!

"It is not just about migrants"

Pope Francis released his message for the 105th World Day of Migrants and Refugees, which is commemorated on Sunday, September 29, 2019. Below is an excerpt from that message.

In his message, the Pope stated that "Faith assures us that in a mysterious way the Kingdom of God is already present here on earth. Yet in our own time, we are saddened to see the obstacles and opposition it encounters. Violent conflicts and all-out wars continue to tear humanity apart; injustices and discrimination follow one upon the other; economic and social imbalances on a local or global scale prove difficult to overcome. And above all it is the poorest of the poor and the most disadvantaged who pay the price."

He continued, "The most economically advanced societies are witnessing a growing trend towards extreme individualism which, combined with a utilitarian mentality and reinforced by the media, is producing a 'globalization of indifference'. In this scenario, migrants, refugees, displaced persons and victims of trafficking have become emblems of exclusion. In addition to the hardships that their condition entails, they are often looked down upon and considered the source of all society's ills. That attitude is an alarm bell warning of the moral decline we will face if we continue to give ground to the throw-away culture. In fact, if it continues, anyone who does not fall within the accepted norms of physical, mental and social well-being is at risk of marginalization and exclusion.

"For this reason, the presence of migrants and refugees – and of vulnerable people in general – is an invitation to recover some of those essential dimensions of our Christian existence and our humanity that risk being overlooked in a prosperous society. That is why it is not just about migrants. When we show concern for them, we also show concern for ourselves, for everyone; in taking care of them, we all grow; in listening to them, we also give voice to a part of ourselves that we may keep hidden because it is not well regarded nowadays."

From the Diocese & Community**Daughters of Mary Mother of Mercy Mission Appeal July 6 & 7**

Daughters of Mary Mother of Mercy is a Nigerian Indigenous Congregation; of Pontifical Right.

Every year, hundreds of kids are left orphans due to political persecution, Islamic extremist and economic hardship going on in the North and other parts of Nigeria. Daughters of Mary Mother of Mercy mission has given hope, home and better lives to many children. We train them in schools, help them learn skills and to be independent in society. Our five orphanages in different cities and villages in Nigeria are overflowing and at this point we lack resources to care for these lovely children. Please, please help! Despite the poor economic situation, we have been able to carry out our mission to the poor, due to men and women of good will like you all. Your donation on July 6/7 will go a long way in making great changes in the lives of these kids we minister to. No amount is too small! Thank you in anticipation! May God bless and reward you abundantly.
