## **The Mission of Immaculate Heart of Mary**

*"Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh."  
(Matthew 2:11) \**

The image of the Magi kneeling before the infant Jesus and opening their treasure chests for Him is an image that we should all try to follow each day. In gratitude for all that we have been given, we are called to generously share all of our gifts, not just the ones we pick and choose. God wants us to be generous with everything, but especially that one thing that means the most to us.\*

Reducing Poverty

Reducing poverty in any city is hard work. Between 2015 and 2017, Canada reduced its poverty rate by 20 percent. Much of that success has been attributed to the work of the Tamarack Institute and its Cities Reducing Poverty effort, which focused on the power of collaboration, coordination and community. The report on their work, “A Guide for Cities Reducing Poverty,” lists 10 good ideas for cities to adapt:

Create your strategy as a city-wide multi-sectoral initiative: *Municipal leadership and multi-sectoral engagement are keys to success.*

- Focus on poverty reduction vs. alleviation: *We want fewer poor not better poor.*
- Support good jobs and a living wage: *Living wage helps create adequate incomes.*
- Strengthen neighborhoods: *Neighborhood-based community development is a vital strategy.*
- Include affordable and accessible transportation in your strategy: *Affordable transportation enables people to fully participate in community.*
- Ensure finances are not a barrier to accessing community services: *Citizens deserve access to all municipal services regardless of income.*
- Address affordable housing and homelessness in your strategy: *A top priority for every city.*
- Engage public health agencies and link your strategy to health outcomes: *Poverty is a health issue.*
- Embrace a social justice and human rights-based approach: *Living free of poverty is a human right.*
- Work toward Collective Impact and build a movement for change: *Think and act like a movement.*
