"Because there is one bread, we who are many are one body, for we all partake of the one bread." (1 Corinthians 10:17)

As disciples of Jesus, we are called to lead holy lives and invite others to join us. Living a stewardship lifestyle, being grateful and generous with our gifts, serves a twofold purpose. One, it helps build God's kingdom here on earth. Two, it helps us strengthen each other's relationship with God the Father, Jesus, and the Holy Spirit. It becomes our road map to Heaven. Let's help each other get there! *

Welcome Home!

It's been a long time and we are all so excited to be back together! Use the following guidelines to ensure a healthy experience at Mass. If you have questions, please ask an usher.

Helpful Information:

For now, please only attend your own parish. You are not obligated to physically attend Sunday Mass until August 15.

Please don't come to Mass if you don't feel well.

When you come, please bring...

Your own hand sanitizer if possible. It's OK if you don't have your own. There will be some at the church.

Your mask/face covering.

To help keep everyone healthy...

You are asked to use hand sanitizer when you arrive. We will not be using books or handouts for readings or songs.

Keeping our Distance...

We are still asked to stay 6 feet away from people we do not live with.

You may notice markings on pews or the floor, this is to help us keep a safe distance.

During Mass some things may look different too.

We are asked not to hold other's hands during the Our Father prayer.

You may notice too, that there is not a sign of peace.

*This is only temporary to keep us healthy!

Receiving Communion...

When you line up, use the floor markings to help keep 6 feet between you and the person in front of you.

We are asking you to receive communion in your hands, not on the tongue.

For safety, the priest will be the only one who receives from the chalice.

After Mass...

For safety we can't have groups of people gathering, but it is always OK to greet people with something like a wave or a smile.

It might seem strange for now, but we'll learn and be patient together, and God willing we will all be together again soon!

SVdP Drive-thru Pantry Needs Help

St. Vincent de Paul is struggling to support our drive-thru pantry - we are serving a record number of people - up 30% since the pandemic began. We need donations - both financial and material to help support our Food Pantry and the people we serve. To help ease the burden on both we are scheduling a *Stuff A Truck* campaign to obtain material donations and a *Love Your Neighbor 5K* (virtual) to help us financially.

Next and last date is June 13 [STUFF A TRUCK INFORMATION](#)

Catholic Climate Action

In the midst of this global pandemic, the Catholic Church celebrated *Laudato Si* week May 18-24, coming on this 50th anniversary of the first Earth Day. This special week started a one year celebration of the “Special *Laudato Si* Anniversary Year” from May 24, 2020 to May 24, 2021. In recent years, the 2015 encyclical of Pope Francis – *Laudato Si*: On Care for Our Common Home – has set the path to rediscover our identity as sons and daughters of our heavenly Father who have been created in the divine image and commissioned to be stewards of the earth, with a focus on protecting the most poor and vulnerable among us. As part of Catholic Social Teaching, care for creation and all its peoples are key parts of our Catholic faith. As Pope Francis has said “Living our vocation to be protectors of God’s handiwork is essential to a life of virtue; it is not an optional or a secondary aspect of our Christian experience.” The call to undergo an eco-conversion is not just about making lifestyle changes, it is also about working towards protecting our common home. As this pandemic has shown, we are all connected around the world. An integrated approach includes caring both for the earth as well as our sisters and brothers. Put your faith into action by supporting the work of our partners who work on poverty, tackling climate change, protecting the environment, refugees and many more.

The IHM Conference of St. Vincent de Paul will not meet until further notice. However, volunteers are desperately needed at the Food Pantry on 30th St. and at the Distribution Center on Maryland St. Many of our current volunteers are elderly and should not be working at this time. If you are healthy and have a few hours to dedicate to help those in need, please consider volunteering. To sign up, go to <http://www.svdpindy.org/> and click on “I WANT TO HELP”. Thank you.

Marriage Encounter

We would not expect a car, or a house heating/air conditioning system to run for years without any servicing, so why do we expect our marriage relationship to keep running smoothly without a little maintenance? The **Worldwide Marriage Encounter Weekend** gives married couples the tools to keep their relationship in top running condition. Future Marriage Encounter Weekends will be at Mount Saint Francis Centre for Spirituality, New Albany, from 14-16 August 2020, and at Our Lady of Fatima Retreat House, Indianapolis, from 6-8 November 2020. Visit www.wvme.org for further information.

Quote from a couple who made a Marriage Encounter Weekend after 18 years of marriage: “We were blown out of the water after our Weekend. We didn’t fully appreciate that our Sacrament was a vocation to be cherished and nurtured.”

Support our Seminarians

What does it cost to educate our future priest...
...how can you help?

Give

The average cost per seminarian is about \$35,000 per year. All education, especially seminarian education, is an important investment in the future of the church.

It has been said that God does not call the equipped, He equips the called. Financial support is a way we can help equip our future priest.
