"Blessed are you when they insult you and persecute you and utter every kind of evil against you (falsely) because of me." - Matthew 5:11

We are all at different points on the path to holiness, on getting to Heaven and becoming a saint. Part of the journey is being mocked and ridiculed by others. When this happens, how do you respond? Do you become silent? Do you react in anger or do you react with love? Fortunately, as one Body of Christ, we are united with the saints already in Heaven. Ask your favorite saint for guidance in defending the Faith.

NOTE: Sunday Mass Times: 8:00 am, 9:30 am & 11:15 am beginning Nov. 1.

Province of Indianapolis Extension of Dispensation

While commending our pastors and pastoral life coordinators who have gone to great lengths to assure safe worship spaces in our churches, given the continued increase of Covid-19 cases in our state, the Indiana bishops hereby extend the dispensation from the obligation to attend Mass on Sundays and Holy Days of obligation beyond 1 November 2020 until further notice. The Indiana bishops will continue to monitor the situation to determine when it might be advisable to modify or lift the dispensation.

Prayer Before An Election *

Lord God, as the election approaches, we seek to better understand the issues and concerns that confront our city/state/country, and how the Gospel compels us to respond as faithful citizens in our community.

We ask for eyes that are free from blindness so that we might see each other as brothers and sisters, one and equal in dignity, especially those who are victims of abuse and violence, deceit and poverty.

We ask for ears that will hear the cries of children unborn and those abandoned, men and women oppressed because of race or creed, religion or gender. We ask for minds and hearts that are open to hearing the voice of leaders who will bring us closer to your Kingdom.

We pray for discernment so that we may choose leaders who hear your Word, live your love, and keep in the ways of your truth as they follow in the steps of Jesus and his Apostles and guide us to your Kingdom of justice and peace. We ask this in the name of your Son Jesus Christ and through the power of the Holy Spirit. Amen.

IHM School ~ Leader In Me

We are very excited to share some Leader in Me articles written by our junior high students and members of the Student Lighthouse Team. Over the coming weeks, the articles will cover topics such as using the Habits in your everyday life, outside of school, in sports, etc. We hope you enjoy hearing what these wonderful young people have to say.

How We Use the 7 Habits in High School by Greta

When transferring from middle school to high school, the 7 Habits will be very beneficial through your 4 years. Like for studying, sports, and religion. Putting first things first in high school will help you to get all of your work finished on time, so you don't have missing assignments. Being proactive is also important in many things in high school. You can keep all of your other outside activities in order and make sure you do things correctly. These two important habits could help you achieve many things that you want to achieve in high school. If you applied them to your ways of living you can get organized, better grades, friendships, and closer to God.

Outreach Corner

The IHM Community Garden ends a successful season.

Tish Shea, the coordinator for the Community Garden Ministry, submitted this report: “We had great participation in the plant sale at the start of the year. Many thanks to Mr. John Platt, from Perennials Plus, for his donation of vegetable and herb plants. We grew three types of tomatoes, green peppers, jalapeno peppers, yellow peppers, carrots, cucumbers, two types of beans, lettuce, kale, collard greens, and radishes. This year we planted a small second harvest that was successful, despite 100 degree weather, because of our dedicated watering team. We washed and delivered a record setting 856 pounds of produce from the two gardens at IHM (a bit of this included private garden donations from parishioners). We purchased an amazing 2,812 pounds of produce (using proceeds from the plant sale) from Indiana orchards and farms which we delivered and donated to Boulevard Place Food Pantry. Around 18 people actively volunteered throughout the summer.

“Particular thanks to the persistent, never fail, watering team (Tyler, Courtney, Myra, Jessica)! And super thanks to Dan and Tina for leading a gardening team, as well as Leah and Kellyn for mid-week harvesting and deliveries. We also learned a bit about fall planting. Lettuce and bush beans and kale will grow in late summer/early fall (if you have an amazing watering team!). In addition, we installed a water barrel to one downspout. And we kept one of the compost piles working. Small triumphs!

“It feels like a job done well with a core group of volunteers. I appreciate very much that Father Bob let us get in and plant in the early spring despite the COVID-19 lockdown. Many other church gardening groups did not get that chance. I have fond memories of lots of work, the beauty of the outdoors, the joy of friendships made, and the smiles of grateful people. If we were trying to balance out some social determinants of health, such as inequities in access to fresh produce, I think we helped a bit in our neighborhood. And perhaps, just perhaps, the fresh food and their anti-oxidants properties prevented or mitigated a COVID-19 infection.”

All Saints and All Souls

November 1 is the day when we celebrate All Saints, that is all the faithful who died, have gone to Heaven, and are now seeing God face to face in all his glory in Heaven, and especially all the canonized Saints, meaning those whom the Church has officially proposed as a model and intercessor the Christian faithful and venerated as a saint, on the basis of the fact that the person lived a life of heroic virtue or remained faithful to God through martyrdom.

November 2 of each year, All Souls Day (aka the Commemoration of All the Faithful Departed) is a day for special remembrance and prayer for the dead, especially those who died during the last year. We pray for the dead and offer Masses for them in order to assist them during their time in purgatory, where those who die in the state of friendship with God but are not yet fully purified and perfected, undergo a purification to obtain the perfection of love and holiness needed to enter heaven, where they have a heart that is totally open to God.

CELEBRATE NATIONAL VOCATIONS AWARENESS WEEK

The future of our Catholic Church relies on men and women opening their hearts to the unimaginable possibilities God has designed for their lives. However, encouraging vocations is *all* our responsibility. Please pray daily for the young men and women currently discerning a religious vocation. And please discern how you can more fully foster vocations in your family, your parish and throughout the Archdiocese.

The Serra Club of Indianapolis works within our parishes and Archdiocese to achieve religious vocations through prayer, active personal involvement, and club-sponsored activities, while growing in our faith and fellowship. For more information, visit www.serraindy.org.

Marriage Encounter Weekend

Enjoy a Marriage Encounter Weekend from the comfort of your own home! We would not expect a car, or a house heating/air conditioning system to run for years without any servicing, so why do we expect our marriage relationship to keep running smoothly without a little maintenance? The **Virtual Worldwide Marriage Encounter Weekend** gives married couples the tools to keep their relationship in top running condition. Forthcoming Weekends are from 6-8 November, 13-15 November and 20-22 November. Visit www.wwme.org for further information.

Help For Troubled Marriages

The Retrouvaille Program is for Married Couples Struggling in their Relationship.

This program is for couples with marital problems that want marriage help. Those who are considering marriage separation and those who are already separated or divorced are encouraged to consider the Retrouvaille Program. There is always hope of reviving your relationship.

Some spouses resist the idea of attending the program, out of concern that they will be required to expose their personal lives. This is not true. In fact, the program is entirely unique, and most couples find that this is the very thing that worked when all else failed. We are told constantly that this is one of the best kept secrets in the world, and couples regularly comment that they wish they had done the program long before they did; That it would have saved them so much pain and anguish. To learn more please go to <https://www.helpourmarriage.org/>.
