Mass Schedule

 9:30 am & 11:15 am

For daily Masses consult inside Mass schedule on pg. 2.

Fourth Sunday in Ordinary Time

“Brothers and sisters: I should like you to be free of anxieties.”- 1 Corinthians 7:32

How much anxiety do we bring upon ourselves by constantly worrying about not having enough or attaining more things? God won't necessarily give you everything you want, but He will provide everything you need. Try this – use the word “pray” instead of the word “worry” in the future. Then pray for things instead of worrying about them *

Box Tops is Changing

Box Tops is Changing to Fit Today's Families. Traditional Box Tops clips are being phased out of production (but you can still send in any remaining unexpired clips to school). Box Tops has modernized their program for the next generation of participants using mobile technology. You will need to download the Box Tops app to get started.

Here's how it works: Buy Box Tops products. Scan your receipt. Earn cash for your school. Each Box Top is worth 10c to our school. The app will find participating products purchased at any store and instantly add cash to our school's earnings online. Scanning must be done within 14 days of purchase, so scanning right away works well.

Go to BTFE.com for more information.

Leader In Me - IHM School

The 7 Habits at School by Julia

We use the seven habits a lot in school. For example, we use Put First Things First when we do homework or study for tests. We also use Think Win-Win when we do something, so we won't have to do it later. Another example is Be Proactive, we use this habit when we study, do Reading Plus, and Greek and Latin Roots before it is due. In conclusion, we use the Seven Habits a lot during school.

A Gift of Time

Time is such an overwhelming concern for humans. There is never enough time. We are always trying to save time. We want to make time for something. Time never seems to be on our side.

Humans are the only species known to care about time. Animals seemingly have no interest in the passage of time; domestic animals seem mostly interested in play time, feeding time, and sleep time. We are the ones who watch the clock, always aware of how little time we have.

This makes the gift of our time the most valuable one we can give. As parents and grandparents we know our time with our children and grandchildren make the best memories. We invest our precious time in the things that matter most to us: family, friends, causes we care about. And no one on their deathbed wishes they had spent more time in the office.

Volunteers generously give their time to causes that matter to them. Whether these causes have local impact such as a food pantry or a school, or international impact through both government and non-government entities, volunteers give their most precious possession, their time, to causes greater than themselves.

Thank you to all volunteers, whether you give one hour or thousands of hours. There is no greater gift we can give than our time, and it makes such an impact on those in need.

Dear Parishioners,

Today, Sunday, January 31, 2021, we kick off Catholic School Week. It is a week set aside to celebrate Catholic education. As a Catholic school, Immaculate Heart of Mary embraces the dual mission to educate the mind and nurture the spirit, cultivating the intellectual, moral and spiritual talents of each child, helping to develop future Christian leaders. The Catholic education that we provide and share with our children relies upon our dedicated staff, for whom teaching is a calling, and also on the support and spiritual guidance of Fr. Bob, our parents and the community of parishioners of Immaculate Heart of Mary.

We hope you share in our pride and celebrate with us IHM's continued recognition as a 4-star, Indiana Department of Education A rated school and as a recent Blue Ribbon School of Excellence. Our staff is committed to creating an environment that nurtures children academically, spiritually, athletically and socially. Our challenging curriculum is enhanced by state of the art technology, such as iPads, Chromebooks, new Smart Boards in every classroom and our STEM (Science, Technology, Engineering and Mathematics) lab, as well as by enriching and diverse extracurriculars and thriving athletic and arts programs. We also incorporate programs such as The Leader in Me (based on the 7 Habits of Highly Successful People developed by Steven Covey). It is our goal that our students be prepared for the challenges that lie ahead and for future success in high school, college and beyond.

As parishioners of Immaculate Heart of Mary, we thank you for your partnership in the spiritual and academic preparation of the children of our parish community. We thank you for your support, both financially and spiritually and hope that you will continue to pray for the children of IHM, and for the ministry of Catholic education everywhere.

God Bless,

Mrs. Ronda Swartz, Principal

Special Collection - Church in Latin America

If you missed the collection, it's not too late to give! Visit www.usccb.org/latin-america and click "How to Give."
