The Mission of Immaculate Heart of Mary

The Immaculate Heart of Mary parish strives to be a vibrant Catholic community with the Gospel of Jesus Christ as our guide. We invite those who seek to strengthen their spirituality and develop their relationships with God through our dynamic liturgy, life long learning, and sharing faith within and outside our community.

Mass Schedule

Saturday - 5:30 pm

Sunday - 8:00 am

9:30 am & 11:15 am

For daily Masses consult inside Mass schedule on pg. 2.

Fifth Sunday in Ordinary Time

“Rising very early before dawn, he left and went off to a deserted place, where he prayed... He told them, ‘Let us go on to the nearby villages that I may preach there also. For this purpose have I come.’” - Mark 1:35, 38

In today's Gospel reading we see a perfect example of stewardship. Jesus gives His time to do all that God wishes - healing the sick and preaching. But before He begins, Jesus makes time to be alone with God in prayer. It is through prayer, spending time with God, that we find the strength to do what He wishes us to do. Be sure to find time every day to be with God. *

How the Seven Habits Will Prepare Me for Going Into High School by Caroline

I have learned that the 7 Habits will prepare me for going into high school. In high school, I need to be very proactive and put first things first. There is more work and I need to be able to not procrastinate. I also need to know how to synergize with other people. Working together may be a key skill in high school. The 7 Habits will help me grow into a responsible, kind, hard-working student.

Box Tops is Changing

Box Tops is Changing to Fit Today's Families. Traditional Box Tops clips are being phased out of production (but you can still send in any remaining unexpired clips to school). Box Tops has modernized their program for the next generation of participants using mobile technology. You will need to download the Box Tops app to get started.

Here's how it works: Buy Box Tops products. Scan your receipt. Earn cash for your school. Each Box Top is worth 10c to our school. The app will find participating products purchased at any store and instantly add cash to our school's earnings online. Scanning must be done within 14 days of purchase, so scanning right away works well.

Go to BTFE.com for more information.

Daily Miracles

In the car biz we used to talk about the *daily miracle*, when thousands of parts came together with hundreds of workers and machines to build a car or truck. This would happen as often as once per minute in a factory, an amazing achievement. But this isn't a miracle; it's simply logistics and engineering—just people doing their jobs.

The real daily miracles are the ones you see every day at St. Vincent de Paul and so many other charitable organizations around Indy: a person in need comes forward, and an amazing volunteer is there to meet them with the resources to address their needs. Whether the need is food, clothing, household goods, or whatever, donors have given something to help meet the need. Generous donors have put good food on the shelves, warm clothes on the racks, and given so many other goods and services to help. It is truly a daily miracle when volunteers and donors come together to help someone in need.

The call to help comes straight from Jesus: “whatever you did for one of the least of these brothers and sisters of mine, you did for Me” (Matt 25:40). As the pandemic rages on there continues to be need in our community, a need that isn't limited to holiday seasons or a neighborhood. Please continue to support our local ministries that serve our neighbors in need.

2021 National Catholic Women's Conference, March 12-14

What if you could be at peace most of the time? As Catholic women, many of us with kids, spouses, jobs, (and now add homeschool teacher to the list), it is easy to feel like everyone wants a piece of our time and energy. And when that time and energy just isn't there to give, it can leave us feeling guilty. What if peace was possible without adding one more commitment, one more task, one more weekly zoom call, or one more assignment to your life? What if you already had all of the resources in your day to love your God, kids, husband, friends, yourself, AND rest in God's peace?

At this free virtual conference, you will:

- Discover women just like you sharing similar struggles, and learn how they're finding freedom in Faith,
- Learn how prayer enhances your vocation as a mother, spouse, professional, and friend,
- Experience how God Multiplies our time and energy when we make prayer a priority,
- Learn how to stop wasting time and energy on guilt, comparison, and resentment and become fully alive as a Catholic Woman.

Dear Parishioners,

As you may be aware, Kim Elkins has decided to move on from her position as a member of the Immaculate Heart of Mary parish staff. Kim served in many capacities over the last 10 years at IHM and most recently as pastoral assistant. She was an integral part of our team and will be missed. We wish Kim well in her next chapter and beyond.

In the interim, I have allocated some of Kim's responsibilities to other members of the parish staff. Julie Tomich is assisting with the scheduling of Mass ministers (ushers, eucharistic ministers, lectors). Any other concerns regarding funerals or liturgical and faith formation questions can be addressed by calling the parish office at 257-2266.

We ask for your prayers as we prepare to fill this position in the near future.

Regards,
Fr. Bob

Ask your Mother for help. The Blessed Virgin Mary, our spiritual mother, understands our needs and offers profound comfort. One family, gathered around the bedside of their dying husband and father, found peace and healing through the recitation of the rosary. The rosary is ideal for the family since children can be taught the simple prayers at an early age. Check out instructions on [how to pray the rosary](#).

WRITING FROM THE INSIDE OUT: A Jungian Journaling Series (Part 1)

presented by: S. Olga Wittkind, Ph.D & Claire Sherman, Ph.D

Life is a journey. Often, we find ourselves at an impasse: Questions arise, self-doubt arises, and meaning is lost. Taking an open, non-judgmental look at ourselves in the privacy of a journal is a wonderful tool for self-growth and understanding. Join us for a 2-part series of self-exploration through journaling using Jungian tools and concepts.

Part 1: We will take a look at our early years, school years and young adult years. These are the years when our Ego and Persona are developed. Aspects of the Shadow, both negative and golden, form in the unconscious. Greet the person you were! Learn how we can make friends with our past through journaling!
