Fourth Sunday of Easter

2

"I am the good shepherd...and I lay down my life for the sheep...and they will heed my voice." - JOHN 10:14-16

When you pray, do you only ask Jesus for the things that you want? Do you ever ask Him what He wants from you? How do you listen for His response? Many times Jesus responds in "quiet whispers" that are not so obvious. So, take time every day, in silence, to actively listen for His voice. *

Highlighting the 2021 Spirit of IHM Athletic Award winners

Christine and Bryon Konvolinka have been involved in our community and IHM Athletics since they became IHM parishioners in 1994. Nine years ago in 2013, Christine started the Boys Volleyball 5-8th grade program as a IHM / St. Thomas program (and in the early years of the program St. Joan of Arc players as well). Bryon often is there helping at a practice or games keeping the score book. Bryon coached the 3/4 Football team for 10 seasons from 2010-2019, teaching important fundamentals to scores of new football players and making sure football was fun! Bryon was the Activity Center coordinator/scheduler for 1 year in 2013. He served on the Athletic Commission from 2011-2014 and the Athletic Commission President in 2014. Their dedication to the youth of IHM has extended well beyond their own children's IHM Athletic careers, and the youth of our parish have been lucky to be coached by Bryon and Christine Konvolinka.

Congratulations to IHM 2021 CYO Winners!

Congratulations to **Mike Caskey** and **Marq Boggs** on receiving the Msgr. Busald Award. Thank you for all your dedication to the IHM CYO program.

Congratulations to former IHM student, **Jameson Brown** on receiving the CYO Spirit of Youth Award. We are grateful for all your service.

The recognition ceremony will take place at the Ss Peter and Paul Cathedral on Tuesday, May 4th at 7:00pm.

IHM School ~ Leader In Me

The Habits by Owen

In Leader in Me, we have been learning about the 7 habits. The 7 habits are be proactive, begin with the end in mind, put first things first, think win-win, seek first to understand, then to be understood, synergize, and sharpen the saw. Even with a global pandemic going on, we can still use the 7 habits in many ways. We can use them by getting our work done on time, being nice to others, and social distancing. We can also use them by helping younger siblings, and going outside and getting fresh air.

Will you volunteer 2 hours per month to prevent hunger in our community?

In Marion county, 96,000 people have been infected with COVID-19 and approximately 1800 have died. Many in our community have survived but remain with life-altering side effects hindering their ability to work. Our IHM Community Garden ministry helped last summer provide needed food to many of our neighbors during this tough time and we hope to continue to offer healthy, fresh produce this year to fight hunger. In order to continue these gardens for 2021, we are in need of two new co-directors for this IHM ministry as both of our past co-directors will not be able to participate this year. We also need 8 additional volunteers to help beginning May 15th with the weekly work required to plant, nurture, and harvest the produce. If you enjoy being outside and watching things grow, this service opportunity is for you! No gardening experience is required and children are welcome. The role is not difficult, but does require a monthly commitment of 2-4 hours. Please commit today to prevent this ministry from closing. Contact Tish Shea for further information and to sign up at 317-544-8890.

For the Mass Ministries Schedule see Pg. 4.

Situation at the U.S.-Mexico Border

The bishops along the border of the United States and Northern Mexico have issued this joint statement on the situation at the border of the two countries:

As U.S. and Mexican bishops along the border, we witness daily the dilemma that our migrant sisters and brothers face. For most, the decision to migrate is not motivated by an indifference toward their homeland or the pursuit of economic prosperity; it is a matter of life or death. The situation is all the more difficult for children.

Challenges such as these require humanitarian solutions. Undoubtedly, nations have the right to maintain their borders. This is vital to their sovereignty and self-determination. At the same time, there is a shared responsibility of all nations to preserve human life and provide for safe, orderly, and humane immigration, including the right to asylum.

For that reason, we renew our appeal to our governments, to political leaders, and civil society, that they work together to welcome, protect, promote, and integrate migrants in accordance with their intrinsic dignity, as well as work with other countries in the region to eliminate conditions that compel their citizens to resort to dangerous and irregular migration, producing long-term solutions. "Unlike disagreement and conflict," Pope Francis reminds us, "persistent and courageous dialogue does not make headlines, but quietly helps the world to live much better than we imagine."

Conscious of the importance of public health and safety, we encourage policies supported by sound scientific rationales. We maintain that family unity must be a vital component of any response. We ask that special attention be given to particularly vulnerable populations, such as children. We strongly urge that structures be put in place and reforms in our laws be made to both promote a welcoming culture for our sisters and brothers and respect the sovereignty and safety of our countries.

Adult Confirmation

Call out for all adult parishioners who have not yet been confirmed!!

On May 23rd Archbishop Thompson will confirm adult Catholics who regularly participate in the life of the Church but have for any reason not yet received this Sacrament.

If this applies to you and you would like to complete your Sacraments of Initiation and receive the gifts of the Holy Spirit, please contact Ute Eble at ueble@ihmindy.org or (317) 257-2266 ext. 102.

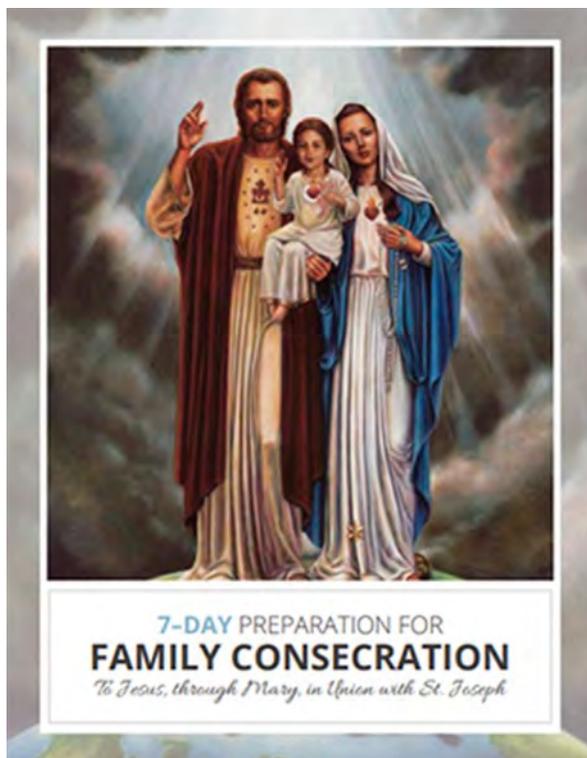

If you are new to the Catholic Church or returning, welcome home! Please also contact Ute Eble to discuss how we can help you learn more about our faith and/or become Catholic.

Family Consecration

Holiness leads to happiness, the true happiness for which we were created: union with God. One way your family can grow in holiness is to renew your baptismal promises through an **act of consecration to Jesus, through Mary, in union with St. Joseph** and to live that consecration every day. This act of consecration is a deliberate choice to follow Jesus Christ more fully, with the help of Mary and Joseph, and to set your family apart for God. Then, taking the Holy Family as your model, each family member seeks to lead a life that gives glory to God. In return, **receive spiritual blessings and protection from the dangers that threaten to tear so many families apart**.

All IHM families are invited and encouraged to participate in a 7-day at home preparation using short reflections and family activities to learn about the 7 keys to God-centered family living, and to join us on Saturday, May 1, at 4 pm in the Church for a consecration ceremony. Please sign up by emailing Ute Eble at ueble@ihmindy.org. You will receive a booklet and all necessary materials, as well as information for a kick-off meeting on Zoom on Thursday, April 22, 2021, at 7 pm.

You can find more information about the family consecration here: <https://afc.org/family-consecration/>

Message from His Holiness Pope Francis on the World Day of Vocations

"The Lord's call is not an intrusion of God in our freedom; it is not a "cage" or a burden to be borne. On the contrary, it is the loving initiative whereby God encounters us and invites us to be part of a great undertaking. He opens before our eyes the horizon of a greater sea and an abundant catch."
