Fourteenth Sunday in Ordinary Time

2

*“As the Lord spoke to me, the spirit entered me and set me on my feet, and I heard the one who was speaking say to me, ‘Son of man, I am sending you...’”* EZEKIEL 2:2-3

God has a plan for each of us. He calls us to do something for Him. But, He doesn't leave us on our own to figure it out. He gives us the resources we need to do His work. Are you listening for God's call? When you hear it, do you get on your feet and do the work He asks of you? Do not be afraid. God doesn't call the equipped, he equips the called. Answer His call.

## Outreach Corner

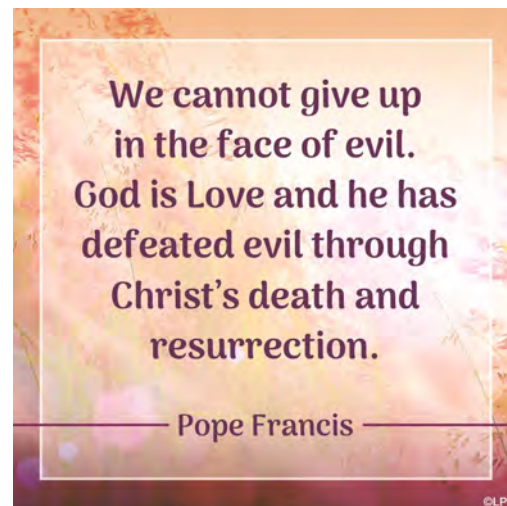

### Affordable Housing Shortage

"I want to be very clear. There is no social or moral justification, no justification whatsoever, for lack of housing." (Pope Francis in 2015) "The lack of safe, affordable housing requires a renewed commitment to increase the supply of quality housing and to preserve, maintain, and improve existing housing through public/private partnerships, especially with religious groups and community organizations." (USCCB in 2011) Safe, affordable housing has been an issue in the U.S. (and other developed countries) for many years. Recent data says the situation is getting worse, not better.

The average price of a home in the Indiana today is about \$161,000; home prices are rising nearly 10% per year currently. Homes in desirable neighborhoods in Indy sell within hours after listing, often for more than the asking price. Housing in Marion County is fast becoming unaffordable to low-to-moderate income families. With the cost of new construction skyrocketing, adding more subsidized housing is not possible. Though such a hot market is not sustainable, the average home in Indy now is out of reach for many of our neighbors in the middle and lower socioeconomic groups. Although the eviction moratorium has been extended until July 31, this just delays the inevitable. As many as one-third of renters in Indy have an expectation of eviction when the moratorium ends; many home owners are in the same situation, expecting foreclosure very soon. As Pope Francis said "there is no social or moral justification".

As America celebrates its 245<sup>th</sup> birthday this weekend, please consider whether all Americans can celebrate the same freedoms of life, liberty, and the pursuit of happiness. Catholic Social Teaching demands that we recognize and work to eliminate such injustices.

(Based on USCCB.org, the Indy Star, and other resources.)

## VBS Fun!

From June 21 to June 25, 23 children of IHM gathered for Compassion Camp and learned in a fun and child-friendly way that compassion means seeing and welcoming, feeling and helping, being brave and being present, and being kind to ourselves so we can be kind to others. We listened to and discussed many Bible stories, made tie-die Immaculate Heart of Mary shirts, breathed in God's kindness during movement time, played lots of games, and so much more!

***Thank you to all volunteers, especially our teenagers, who made this possible!***

If you are interested in volunteering year-round in a fun, faith-filled environment, contact Ute Eble at [ueble@ihmindy.org](mailto:ueble@ihmindy.org) to become a Sunday Family Faith (assistant) teacher. If you would like to enroll your children in Sunday Family Faith, registration for the 2021-2022 year opens in August!

## Faith Firsts: July 1

***Why are we going to Mass anyway?***

Is going to Mass really the most important part of being Catholic? And do we need to do it really every weekend? What do we tell our children if they complain that Mass is boring, and they don't want to go?

Join us in the Church on July 1, at 7 pm, to find answers to these questions. Everyone is welcome, Catholic or not, to hear Ute Eble present an overview over the history and meaning of the Mass, its roots in salvation history, and practical tips on how to experience the Mass in a new light.
