Fifteenth Sunday in Ordinary Time

2

"He instructed them to take nothing for the journey but a walking stick – no food, no sack, no money in their belts." MARK 6:8

Imagine taking nothing but a stick when you go on a trip. The Apostles must have really trusted in God's providential care. Think of all the material things "we can't live without" in today's world. We make our life's journey more difficult because of all the material baggage that we drag along. Putting God first in everything and putting our money and possessions second gives us freedom because we don't become "slaves" to wanting to acquire more things.

Parish Office Summer Hours are M—Th 9-3 and Fri 9-noon.

IHM to Offer CHANGING LIVES FOREVER to Address Systemic Poverty

"Give a man a fish, and you feed him for a day. Teach a man to fish, and you feed him for a lifetime."

Changing Lives Forever is an 8 week program to help individuals living in poverty to find resources and develop a plan to improve the quality of their lives. Mentors will work with participants after they complete the program to help them to achieve their goals. This year, IHM will be offering the program at the Catholic Center on Meridian & 14th Street beginning Wednesday, September 7th.

We are looking for support to make this program successful. In particular, we need assistance in coordinating dinners, marketing the program, and recruiting or becoming a mentor. We also welcome anyone who wants to train to be a facilitator. There is an organizational meeting scheduled for Thursday, July 15 at 7 p.m. in IHM Parish Conference Room.

If you know of anyone who might benefit from this program or are interested in joining our core team, please contact Diane Powers at (317) 698-5679 or at dianemariepowers@gmail.com

Lasting Impacts of Segregation and Redlining

Recent reports from the University of California and SAVI Program at the Polis Center of IUPUI highlight the impact of systemic racism from the Jim Crow era on lives and neighborhoods now. The UC study, part of the Roots of Structural Racism Project, took several years of investigation. Its findings are stark: 81% of U.S. metropolitan regions with at least 200,000 residents were more segregated in 2019 than they were in 1990. The Midwest and mid-Atlantic were the most segregated areas of the country, followed by the West Coast. Critically, the study also found that key outcomes for residents in segregated communities – including income, home values and life expectancy – remain worse than those in more integrated areas.

In Indianapolis, analysis by SAVI similarly found lasting impact from segregation policies. SAVI directly measured discriminatory actions using segregationist policies (redlining starting on the 1930s) and their results (racial segregation in neighborhoods of the 1990s). They measured segregation in the 1990s rather than now because they wanted to examine long-term impacts of segregation as the cause of quality of life outcomes. Therefore, it is important to measure segregation at a time before the effects measured. This allows prediction of contemporary economic opportunity, health outcomes, and environmental conditions resulting from racial inequities having partial origins in segregationist policies.

The results for Indianapolis are extensive and broad, but overall show:

- Redlining perpetuated long-term segregation
- Redlining and segregation lower earnings
- Segregation explains worse health outcomes
- Segregation results in worse environmental outcomes for people of color
- Redlining contributed to income disparities
- Redlining and segregation have impacted both violent crime and police violence

Most of the results are correlations and not direct causation. Nevertheless, significant negative effects today can be related to redlining and segregation policies of the 1930s-1960s era.

(Based on Associated Press reporting and the SAVI Program at the Polis Center and the report at <https://www.savi.org/2021/06/24/lasting-impacts-of-segregation/>.)

Welcome to IHM!

Sister Catherine Duenne – Director of Music Ministries

Thank you for welcoming me into the IHM parish community. It is great to be here! I come to you as a Benedictine sister from Ferdinand, IN. I taught music for 9 years in Louisville, KY (3-year-olds to 8th graders). After that, I was the Music Director for 3 parishes in the local Ferdinand area. I recently went back to school and graduated with a degree in Organ Performance at the University of Evansville. For the past 2 years, I've been at St. John's School of Theology and Seminary in Collegeville, MN, studying liturgy. So, Missouri, Indiana, Kentucky, and Minnesota. I've been a Roamin' Catholic. I hope I can settle here at IHM for a while. I'm currently living with the sisters at Our Lady of Grace Monastery in Beech Grove. If you would like to get more involved in music ministry, please contact me after Mass, call the office, or send me an email (cduenne@ihmindy.org). This is a wonderful and very vibrant community. Thank you again for the warm hospitality.

Nicholas Evans – Coordinator of Youth Ministry

My name is Nicholas Evans and I am happy to serve as IHM's new Coordinator of Youth Ministry. I am originally from Milford, OH and came to Indianapolis to study History and Theology at Marian University as a San Damiano Scholar. During my time there, I had the opportunity to do a wide variety of work for Campus Ministry and the A Year with the St. John's Bible program, as well as serve multiple years as a college mentor for high school aged students at the Missionary Disciples Institute. If you have any questions about anything, ideas for something, want to talk about history, calligraphy, or aquariums, or just want to say hi, feel free to reach out to me at any point. My email is nevans@ihmindy.org. I look forward to getting to know and work with you!
