Sixteenth Sunday in Ordinary Time

"He said to them, 'Come away by yourselves to a deserted place and rest a while.'" MARK 6:31

Do you spend time, every day, alone and in silence listening to how God is calling you? If not, you are missing out on a wonderful opportunity to develop a more personal relationship with Him. Unless we talk and more importantly, listen to God every day, how else will we know how He is calling us? Consider making a retreat this year, spend some "alone" time with God.

Parish Office Summer Hours are M—Th 9-3 and closed on Friday.

Calling all women of IHM:

Join us for an evening of prayer, momentary peace, and information.

On Wednesday, July 28th the IHM Mother's Ministry is hosting a ministry information session for all women in the parish.

Seriously, all women.

If you go by Mom, Mama, Mum, Mooothhher (eye roll for extra effect), this is for you. If someone calls you Grandma, Nana, MeeMaw, Grammy, Your Majesty, Queen of the Family, this is for you.

If you own a t-shirt, pillow, apron or coffee mug declaring that you are the *world's greatest aunt* this is for you.

If your children are grown and flown, still growing in your womb or are a hopeful glimmer of your future, this is for you.

If you have absolutely zero, no way, no thank you, interest in having kids, this is for you.

If you are still strapping a wiggling toddler into a car seat or gripping the dashboard with white knuckles while your teen is behind the wheel, this is for you.

If your kids go to public school, catholic school, private school, or home school, this is for you.

If you have beautiful and brutiful memories of the babies you rocked or never had the chance to meet who God called home before you were ready, this is for you.

If your home is your work, your work is somewhere outside of your home, you work from a home office or you used to do any of these things and have earned your retirement, this is for you.

If you believe that, as women, one of our most important jobs is to support other women, this is for you.

If you believe that, as women, we need more support than we are ever willing to admit or ask for, this is for you.

Outreach Corner

Protecting Those We Serve

All of our Outreach Ministries are focused on serving people in need: the hungry, those suffering homelessness, the sick, those grieving, the disabled and homebound. Those we serve all share one characteristic: their needs make them vulnerable to abuse and exploitation. We may shudder at the very thought of such behavior by those in a position of power in these situations, but it happens. As Catholics we have a particular history that make it even more important that we be aware of these risks and act accordingly.

The US Conference of Catholic Bishops have released a clear statement on this: “The Church is committed to Prevention, Protection and Accountability in creating a safe environment for all. Together we can conquer the evils of clergy sexual abuse and hold all individuals accountable, no matter what their rank. With additional reforms, building upon the [Charter for the Protection of Children and Young People](#), and in union with Pope Francis’s *Motu Proprio*, the American Catholic Church stands united against the scourge of sexual abuse as we continue on a path of reconciliation and healing.”

Though some sorts of abuse are more likely in third world countries and areas where war and famine are raging, we all know it does happen here. And, of course, it isn’t only sexual abuse, but also financial abuse, and even emotional abuse that can occur. The Society of St. Vincent de Paul has developed an international Safeguarding Policy for its members to implement and follow. This policy includes awareness, training, monitoring and background checks as appropriate.

As a first line of awareness, volunteers working with those in need should watch for signs of abuse and listen to the stories you hear. Reporting abuse when it is observed is the first step in ending this scourge on our neighbors in need.

Seasons of Hope bereavement group to begin July 20

Are you or someone you know grieving the loss of a loved one? Perhaps the Tri-Parish Seasons of Hope group can help.

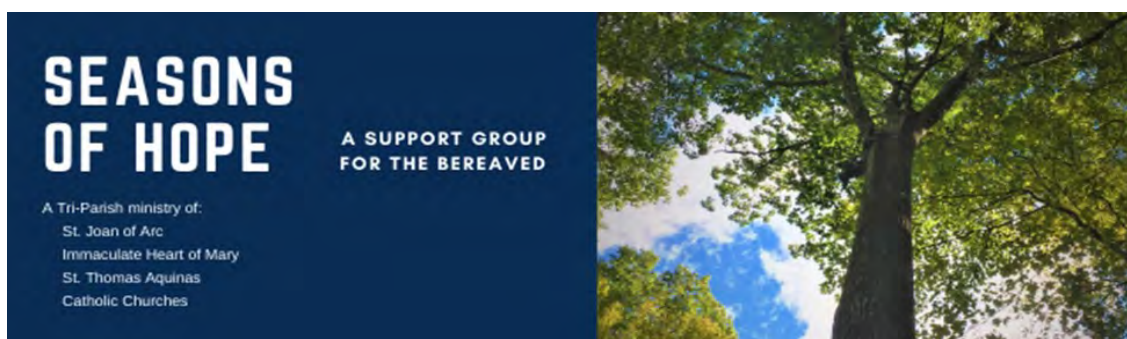

Grief and the process of dealing with it is a very individual thing. We have in common our journey, supporting each other as pilgrims on the road to healing.

You need not be Catholic or even particularly religious to attend. Just bring with you an openness or even a hope to encounter God's healing.

The next six-week session of the Tri-Parish [Seasons of Hope](#) bereavement group will begin at **6 pm on Tuesday, July 20**. This six-week session will be in-person at **St. Joan of Arc Catholic Church** parish offices at 4217 Central Avenue, Indianapolis.

No preregistration is required, though you are welcome to drop us an email if you plan to attend.

The Seasons of Hope group is a Tri-Parish ministry of St. Joan of Arc, Immaculate Heart of Mary, and St. Thomas Aquinas Catholic churches. For more information, contact: Kyle Murphy at kmurphy@sjoa.org or Jeff Hutson at jeff@jeffhutson.com

MADE FOR MORE

Through live music, sacred and secular art, and dynamic presentation, the *Made for More* event unfolds key themes of St. John Paul II's teaching on the human person and the Theology of the Body to illuminate the "sacramentality of the world" – which is to say, how this physical world reveals the spiritual and divine mysteries that correspond to the deepest questions and longings of the human heart. Join Christopher West and Mike Mangione as they offer a vision of the Gospel like you've never heard before on August 17, 7:00 – 9:30 pm at Bishop Chatard High School.

You can purchase a ticket for \$25 either in the parish office, online at indy.eventbrite.com, or next week (July 24/25) after Mass.

IHM Church Tour

Sure, you've been in our church, but have you wondered about significance of all of its elements? Join us on **August 1 after the 9:30 am Mass** as we take a closer look to understand the structure, symbolism, and rich history of our beautiful church. On our tour you'll learn a little about church architecture, how IHM has changed over the years, and stories behind our stunning stained glass windows. The tour will be led by Pat Gibbons who chaired our renovation project in 2000.

SAVE THE DATE

Our **2021 Parish Mission (September 12-14)** will feature **Fr. Joe Donnelly** from Southbury, CT, with talks on Sunday, Monday, and Tuesday night at 7 pm. It is a time for our whole community to gather together and grow in faith, a time for grace and renewal through services and talks. Mark your calendars and join us!

Diocese of Palayamkottai, INDIA

Through the Archdiocesan Mission office, we have been assigned the Diocese of Palayamkottai, India. Fr. Sengole Gnanaraj will be representing this diocese the weekend of July 24-25. Palayamkottai is a diocese situated in the southern part of India in the state of Tamilnadu. St. Francis Xavier evangelized this part of the state and the diocese since its creation in 1973 has been a strong Christian presence, unleashing the Gospel. Through evangelization, catechesis and witness to Christ's love, Catholics in this diocese have been advancing education for all, alleviating poverty and promoting women empowerment.

Archdiocese of Indianapolis has a special relationship with the diocese of Palayamkottai in that three of their priests work in our Archdiocese serving in three parishes. Your support today will be a huge support to educate seminarians in India. When women's education can be a struggle for many in rural parts of the state, Palayamkottai diocese has been committed to providing various levels of education by means of Colleges, High Schools and hostels to improve the conditions that surround women and their leadership. Along with these ministries, we are also committed to safe and affordable stay and education to children with one or no parents. Please be generous to support us and join us in prayer.

HEALING YOUR POST-COVID SPIRIT

9:30 am - 11:30 am

We will explore common paradoxes used often in the COVID pandemic; such as alone together, the only certainty is uncertainty, and many others. By taking a deeper dive into the history and significance of paradox, we will uncover the value of the harmony of opposites. By learning how to approach paradoxes, we are primed to reap a joyous benefit of greater healing from such life-affirming wisdom and their remedy in these pandemic times.
