“...He said to the gardener, For three years now I have come in search of fruit on this fig tree but have found none.” (LUKE 13:7)

We can all be like the barren fig tree at times. Do you cling to what you have or do you generously share with others? How will you respond when God asks you what you have done with all the gifts He has given you? Remember, not only are we called to be generous, we are called to develop and nurture our gifts, and return them with increase. Remember, we are called to be generous with all gifts; especially the one that means the most to you.

## IHM School - Leader In Me

### **The 7 Habits in School by Gabriel**

You use the 7 habits every day in school. You can put first things first by doing your homework before talking with friends. You can be proactive by doing Reading Plus instead of playing a game. You can synergize by in group projects you can help your group to get better.

### **The Habits In and Out of School by Cooper**

I will be talking about using a few of the seven habits with your school life and outside school life. The first habit I will talk about is putting first things first. At school I am putting first things first by doing my work before going on a game or talking to my friends. This next habit is being proactive. At home I am proactive by making sure that all my homework is done before I'm all set to go to sports and other activities. This last habit is synergizing at school and after school. I synergize at school by working well with my partners on a project or a game. After school I synergize at basketball practice by helping my team understand the plays and encouraging them.

**You Are Welcome Here  
Come as You Are**
