*"He said to them, 'The harvest is abundant, but the laborers are few...'" Luke 10:2*

As Catholics we are all called to serve. Each of us has been given "charisms" otherwise known as gifts from the Holy Spirit to help build God's Church. Our charisms can only be used for good. We know that we are using them in the right ministry when we are filled with joy and we want to share stories about our charitable works. Discern how God is calling you to use your charisms. Say "yes" to what God is calling you to do and then do it! Share your joy and invite others to do the same.

**The Parish office will be CLOSED on Friday, July 1 and Monday, July 4 for the Holiday. A Tri Parish Mass will be celebrated at St. Thomas Aquinas on July 4 at 9:00 am. NOTE: No Communion Service on Monday, July 4.**

--Pope John Paul II

## Independence Day

Today throughout the United States, we celebrate our freedom. Our rights are protected and opportunities abound. We recognize that freedom has a cost, one we celebrate and honor on days such as this. It's good to honor those who fight for our country, who may well pay the ultimate price for the liberties we're afforded. As faithful Catholics, we recognize that there is more to freedom than simply being at liberty to make our lives what we want them to be. St. John Paul II reminds us: "Freedom is not just doing what we can, it is doing what we ought." We become freer within ourselves and within our relationships when we choose what is right and good. When we choose sin, we become trapped in egoism - less free, not more. This Independence Day, let's continue to pursue virtue and good character and encourage others to do this same.

## Wine & Cheese Celebration!

On July 2 and 3 Fr. Matthew Perronie will say Mass and preach the homilies. Members of the parish are invited to a reception for Fr. Perronie after the 5:30 Mass on Saturday, July 2.

Our Archdiocese is blessed that Fr. Matthew Perronie was ordained along with Fr. Michael Clawson by Archbishop Thompson on June 4. Many of us got to know Fr. Matthew when he was a seminarian. He was at Mass at IHM many weekends about six years ago while attending Bishop Simon Brute College Seminary in Indianapolis. He also attended RCIA and events at IHM and held a bible study on the Gospel of St. Mark for parishioners.

We hope many of you will be able to attend to congratulate Fr. Matthew and receive a special blessing that is given by newly ordained priests.

## Calling All Running Enthusiasts!

Are you and/or your children looking for a way to stay active this summer? If so, join us for Summer Running! Summer Running is a program designed to help kids develop an appreciation for fitness as a fun, lifetime activity and to develop a foundation for fall sports and long-term athletic development. It is open to kids entering 4th through 8th grade, their parents and any other adults who want an excuse to run and have an opportunity to impact the students in our neighborhood and parish. (Incoming 3<sup>rd</sup> graders are also invited if accompanied by an adult **at all practices**.)

Beginning July 11th, Summer Running will meet on Mondays, Wednesdays and Thursdays, 6-7pm, at Holcomb Gardens on Butler's campus. Practices will continue through mid-August.

The summer fitness program is led by volunteers with CYO coaching experience, but we rely heavily on adult "chaperones" to run along with us. The more chaperones we have, the more groups we can split into so that kids can work out and run at their own level on a variety of courses and do age appropriate activities. You do not have to have a child participating in the program in order to join us; we are always looking for new volunteers to help out regardless of whether or not they have school age children.

If you are interested in participating, all you have to do is show up. To assist in communicating last-minute updates to all interested people, we will use a texting service.

You can sign up by texting @summer-run to 81010. If you have questions, feel free to email [ihtmxcrunners@gmail.com](mailto:ihtmxcrunners@gmail.com).

## IHM Volunteer Activity Recognition

The Pastoral Council of IHM has initiated a program to recognize the work that so many volunteers do to make our parish a community. Profiles of these volunteers will be published regularly in the parish bulletin. Our first honorees are JOHN AND SUZIE PLATTE.

John and Suzie have been members of IHM for 16 years. They have traveled to Honduras, started our annual Toilet Paper Mission, worked the Cathedral Kitchen, driven donations to the Lord's Pantry, assisted with Healthy Haughville and St. Anthony's school, and helped with decorating the Church for Christmas and Easter.

John's favorite memory is bringing poinsettias to the priest at St. Anthony's who believed it was a miracle since they didn't have any poinsettias to decorate the church. Suzie's favorite memory is working Cathedral Kitchen with their grandson Liam.

They both believe you must give to get. They believe that they have received so very much in life and have so much more giving to do.

THANK YOU, JOHN AND SUZIE!

## Gospel Meditaion

July 3, 2022

14th Sunday in Ordinary Time

Freedom properly defined is freedom properly understood. The Cambridge Dictionary tells us that it is, "the condition or right of being able or allowed to do, say, think, etc., whatever you want to, without being controlled or limited." That same dictionary defines liberty as, "the freedom to live, work, and travel as you want to." Both definitions sound very similar. Is there a difference between freedom and liberty? Many are accustomed to believing that freedom and liberty are interchangeable and simply involve possessing rights and privileges. For the Christian, however, there is a big difference between the two.

St. John Chrysostom directs that "the only person who is free is the one who lives for Christ." There are many other inspirational people throughout history who see freedom as something far greater than liberty. True and properly understood freedom has little to do with entitlement or self-promotion. For the believer, it is a matter of the heart and soul. Freedom (and liberty, for that matter), seen only in terms of the world, can quickly be taken away. The freedom spoken of by St. John Chrysostom can only be lost by personal choice. When one lives for Christ, they live in pursuit of virtues that enlighten one's soul (faith, hope, and love) and strengthen one's character (justice, fortitude, temperance, and prudence). Rather than having the ability to acquire or do more things, true freedom asks us to be detached. Privileges, rights, and responsibilities are important, but they do not define us.

The world is not always open to listening to the truth. "I am sending you like lambs among wolves," Jesus tells his disciples. The secular definitions of freedom and liberty are very attractive. They promise us a great deal. It is no wonder Jesus asks his disciples to travel with very little. The Gospel is not dependent upon things or anything those with worldly power or investment can say or do. When one chooses to live for Christ, they choose to live with peace. That's what true freedom will give us. If we do not want what Christ offers, we can close the door, and the messenger will walk away. Distracted by the lure of personal liberties, we risk losing our freedom. We will not have anything truly life-giving to share with others.

## Ordinary Time

### Question:

Why do we have a liturgical season called ordinary time? Can you explain?

### Answer:

Ordinary time is the longest season of the liturgical year. It begins the Monday after January 6, the Epiphany, and goes until the Tuesday before Ash Wednesday, the beginning of Lent. That period can last anywhere from five to eight weeks, depending on when Easter is celebrated. Ordinary time picks up again the Monday after Pentecost Sunday and lasts from twenty-three to twenty-seven weeks, until the end of the liturgical year, the Saturday before Advent begins.

Why the name ordinary? “Ordinary” is not in contrast to “extraordinary” or “special” but rather stresses the Latin language notion of “ordinal” or numbered Sundays. The Latin title for the season, *tempus ordinarium*, conveys the sense that this time of the year is measured or numbered time. Measured time can allude simply to the numbered Sundays, or the notion that these Sundays are a “measured” time to deepen and immerse ourselves completely in the realities of Jesus’ incarnation, ministry, passion, death, and resurrection. Ordinary time offers us the opportunity to connect the ordinary lived experiences of our lives with those of Jesus, who modeled for us how to live a truly human existence.

Find out how they struggled, how they prayed and how they allowed peace to enter their anxious soul.
