“Jesus said to him, ‘Go and do likewise.’” Luke 10:37

This was Jesus’ command at the end of the Good Samaritan story. Did you know that the Samaritans and Jews despised each other? The moral of the story is to love our neighbor. That means loving someone you may not know, or someone that looks different than you, or someone that has different beliefs than you, or someone that you don’t like. All without expecting anything in return.

Gospel Meditaion

July 10, 2022

15th Sunday in Ordinary Time

We can learn a great deal from Mister Rogers. Remember him? He was the gentle soul who found his way into living rooms worldwide starting as far back as 1968. Mister Rogers’ Neighborhood was a beloved program that celebrated and exalted people, especially children. He taught us that we are neighbors and that everyone has a place. Everyone matters. He had a vision, born of his relationship with God that highlighted every human life’s innocence, beauty, and uniqueness. To that end, he called us to be responsible for each other, saying nothing different than what Jesus said. Viewers quickly learned that life is not just about me.

“We live in a world in which we need to share responsibility. It’s easy to say, ‘It’s not my child, not my community, not my world, not my problem.’ Then there are those who see the need and respond. I consider those people my heroes (Fred Rogers).” It is so easy to look the other way. After all, I’m not the one who needs to leave home out of fear and try to find somewhere safe. I am not the one who is hungry and without shelter or food. I am not the one who has a child being bullied or ridiculed because of the way they dress or act. I am not the one being threatened with violence or unable to find meaningful work. The distress and agony of our neighbors are our distress and agony. We cannot walk by it with an attitude of indifference, especially if we call ourselves believers. When we no longer care, we have suffocated our souls. This is a great sin.

God’s law “is something very near to you, already in your mouths and in your hearts; you have only to carry it out.” We all have a need for love and acceptance. That’s why Mister Rogers’ television show was so popular. It spoke to something deeper, something sacred about humanity. God didn’t give us his law in a book. He wrote it on our hearts. We know what we need to do. It’s a matter of choice. Love is sacred. When we love another human being, especially without regard for ourselves, it is a holy moment. These moments are often missed due to our self-serving agendas and rules.

Ordinary Time

Question:

What is Lectio Divina, and how is it associated with the Benedictine Monastic tradition, whose founder, St. Benedict, we honor on July 11?

Answer:

Benedict desired his monks to live in community, praying the Liturgy of the Hours together, contemplating sacred texts, and doing manual labor. The monks developed a technique to facilitate a spiritual and devotional reading of the Bible known as Lectio Divina, the holy reading of a text. This method encourages the reader to hear the biblical text with an open heart and focus on whatever God wants to highlight and then apply it to daily life.

There are variations on Lectio Divina, but essentially, the technique consists of a three-step process of reflection. When the reflection is done with a group, the responses are shared by all the participants. Once the text is selected, it is read meditatively, and the following are then explored: a word or phrase that attracts you; how and where the content of this reading touches your life today; what you believe that God wants you to do during this coming week (month, year, lifetime).

Thanks to Benedict, the Christian community has been gifted with this special way of entering into the biblical text. This week, use the Lectio Divina process on one of the readings for the coming Sunday and make a note of the life connections you are making. How is this reflection on the biblical text drawing you closer to God and others?

Sherry Meyer, a lay missionary serving on behalf of the Archdiocese of Indianapolis, has been living in Uganda, East Africa for 30 years.
