## THE EPIPHANY OF THE LORD

“Where is the newborn king of the Jews? We saw his star at its rising and have come to do him homage.” - Mt 2:2

*“Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh.”*  
*Matthew 2:11*

The image of the Magi kneeling before the infant Jesus and opening their treasure chests for Him is an image that we should all try to follow each day. In gratitude for all that we have been given, we are called to generously share all of our gifts, not just the ones we pick and choose. God wants us to be generous with everything, but especially that one thing that means the most to you.

## Thank you

### Stewardship

Beginning January 2023, we will start posting the stewardship for the previous month. December stewardship coming soon.

*Thank you for your support of IHM. You may sign up for EFT on our website ([www.ihmindy.org](http://www.ihmindy.org)).*

**Is God calling you into a deeper relationship with IHM's 20-year Honduras Mission?**

Our mission trips are back in full post-COVID swing and lots of children need sponsors! Here are two ways you can get involved in this 20-year outreach ministry to help Sister Maria Rosa's children:

1. **Come on a mission trip with us!** No special skills are needed.

**2023 Trips:**

**IHM Adult Trip - February 6-13**

**IHM Summer Trip for young adults/other adults-June 12-18**

**IHM Youth Trip (rising high school Seniors of parish) - July 3-10**

\*\*Call, email or text Kathy O'Neil, [kmartoneil@yahoo.com](mailto:kmartoneil@yahoo.com), 317-506-4577

2. **Sponsorship** - Sponsoring a Honduran child is an opportunity to create a connection and shared relationship between you, your child/grandchild/godchild/niece or nephew, and Sister Maria Rosa's children in Honduras. When you sponsor a child or a children's home, a child in your life will enjoy a cross-cultural correspondence that allows them to explore the things that make us different and the things that unite us in a global community. Once you begin your sponsorship, we will send you a personalized letter about the child or the home. Share it with the child or children in your life. Consider this gift of friendship that keeps on giving...

**Two options for sponsorship**

**Sponsor a Child:** This child and a child in your own life will be able to write to each other twice a year and become pen pals. \$35 per month

**Sponsor a Home:** You may sponsor a home of about ten children who live together as brothers and sisters, along with a house-mother. Your child can write to all the children in the home as one or to each individual child living in that home. If you have more than one child who would enjoy this connection, this may be an excellent option! \$50 per month

For more information, please contact [fhcsponsors@gmail.com](mailto:fhcsponsors@gmail.com)

The Pastoral Council of IHM has initiated a program to recognize the work that so many volunteers do to make our parish a community. Profiles of these volunteers will be published regularly in the parish bulletin.

**Our next honoree is CHRISTINE KONVOLINKA.**

Christine and Bryon were married at IHM in October 1995, and their three boys, Zachary, Daniel and Alexander attended IHM school. Over the years Christine has been involved in a variety of parish and school activities.

In 1994 she started coaching girls' volleyball and continued until 2003. She stopped coaching to raise her own young family but picked up the sport again in 2013, this time initiating the boys' volleyball program. Currently there are 60 boys playing.

Christine might be called the parish hostess. She has volunteered in every capacity with Illumination over the years, helping to make this event fun and profitable for the parish. She plans and serves as hostess for Fr. Bob's Christmas party. She has been a Good Samaritan helper, doing what needs to be done. She coordinated Teacher Appreciation meals when her children were in the school, room parent and assisted with the hot lunch program for the students.

Christine has served on both the Finance Commission and the Athletic Commission. She is a Fall Festival volunteer and corporate sponsor. She helped plan the 75th Anniversary Celebration in 2021. She has participated in CHRP weekends and Moms group. Since 2014 she has been the chairperson for 8th Grade DC trip trash bag fundraiser.

Christine was IHM School Yearbook co-chair with Liz Elias for 5 yearbooks from 2015 -2020, and one of her most favorite memories of volunteering is when they submitted the Yearbook each year, and then celebrated with a glass of wine. The yearbook took many volunteer hours, but they were always so proud of the final product and of course very glad when it was completed.

Christine believes it is always important to give back to the community that has been such an important part of our lives. It is also important to continue to help it grow and succeed. Most importantly she wants her children to know that it is fulfilling to volunteer and give back your time, talent, and treasure and to always make people feel welcome. "You meet so many amazing people along the way as we volunteer and that is such an amazing gift." Thank you, Christine!

### IHM Leader in Me Program

“At IHM we have many outreaches at mass. For example, we support kids in Honduras and donate to the local food pantry. Kids receive an envelope before mass so that they can put money into it, and even if everyone only contributes a few dollars, it still makes an impact. During mass eighth graders collect the money into baskets, and after mass it is sent to help those which the outreach was dedicated to.”

### GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

**January 8, 2023, The Epiphany of the Lord**

A friend of mine is a young priest who teaches high school physics at a Catholic boys’ prep school. Like many today, the boys often think science and religion are enemies. So, he delights in their raised eyebrows when he reminds them his first full-time job as a priest was to be an astrophysicist. He cataloged the size, shape, and matter of distant stars. He tells them, “Science gave me more love for God, not less.”

The Magi were something like scientist-astronomers. Like today’s scientists, they employed disciplined methods of discovering dependable patterns in the world. Their rigorous commitment to the truth led them to the joy of discovering Jesus. Their love for knowledge leads them to worship the Source of all knowledge. Luke says of them, “They were overjoyed at seeing the star.”

We may see the universe as cold and empty and feel sad. But why should we do that? The Magi, like my priest-friend, show us there is another way to experience the world. We use our intelligence to discover the beautiful patterns in the world — in mathematics, physics, astronomy, biology, neuroscience, and so on — and allow this to lead us to greater love for God. So, my fellow Magi: the world needs us to be overjoyed at finding God in science and, finally and fully, in Jesus.— Father John Muir
