"For I tell you, unless your righteousness exceeds that of the scribes and Pharisees, you will never enter the kingdom of heaven."
 MATTHEW 5:20

The Pharisees lived according to the letter of the law and they used this to elevate themselves above the other people. Jesus is clear – it's the love that you have in your heart, for God and others, that will get you to heaven. Simply following church rules to the letter and not out of love, does not necessarily put you on the path to heaven. Attending Sunday Mass and then gossiping about a fellow parishioner on the parking lot is an example of being a modern day Pharisee.

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

February 12th - 6th Sunday in Ordinary Time - It's often said that the Catholic Church lays heavy rules on her members, rules that can almost seem impossible. Mass every Sunday? No lying ever? Sexual purity all the time? I recently said to some non-Catholic friends that more than fifty adults were baptized at my parish at the Easter Vigil. One responded spontaneously with shock, "Why would anyone do that?" In other words, why would someone willingly place themselves in a system with such demanding and rigorous rules?

Of course, no one in the history of religions is more demanding and rigorous than Jesus himself. In the Sermon on the Mount, he says you have to be holier than pharisees or you're out. He says if you call someone a fool, you go to fiery Gehenna. He says you can't even look at a woman with lust or you're guilty of adultery (which was punishable by death). To top it all off, he says you can't even get divorced and re-married. Doesn't he know these are basically impossible demands? What world is he living in?

The new one, actually. He is the new world. Jesus' words aren't meant to condemn. They are meant to signal something new, a restored humanity. Jesus doesn't just give external laws; he gives us his Holy Spirit to internalize the law through love. He wants to fill us with his love. That's what the Church exists to do. Love demands extraordinary things. The "demands" of the Church only make sense because she is filled with Jesus' love. That wildly demanding love is why we are Catholic.
