"Let your light shine before others, that they may see your good works and give glory to your Father who is in heaven."
MATTHEW 5:16

The generosity of being a good steward of your gifts has a positive effect on people and it is contagious! Good works encourages more good works. Generosity is a by-product of a grateful lifestyle. The more we recognize God's gifts, the more we want to share them. Good stewards recognize that God is working through them, and they don't put themselves above the people they have been called to help.

Letter from Father Bob

Dear IHM Family,

For almost 16 years it has been my honor and joy to be Pastor of Immaculate Heart of Mary. During that time, I have welcomed hundreds of children into our community through Baptism. I have shared the Eucharist with you in times of joy and sorrow. I have listened to your confessions as together we journeyed toward holiness. I have witnessed dozens of couples who proclaimed their love in the presence of God, family, friends and indeed the world. I have shared the stories of life – the laughter and the tears – at the Oktoberfest, Illumination, parties, games and a myriad of other occasions – formal and informal. I have especially been blessed by the young who are such an integral part of our community.

At 76 years of age, it is time for a new chapter in my life and the life of the parish. I have made the decision to retire beginning July of 2023. Certainly, this decision is not rooted in disappointment or frustration with Immaculate Heart of Mary. I have been, I am, and I will be proud to be a part of this community. My gray hair has not been caused by you but by the process of aging!

With retirement, I will live in a condo here in the city. I hope to continue to be a part of your life in ways that are respectful and appropriate to the new Pastor. You have been too important in my life to simply fade away.

Your new Pastor will arrive in July. For many years I was a member of the Priests Personnel Board which advises the Archbishop about appointments. I know they are conscientious about assigning priests who fit the culture and needs of the parish. In the not too distant future members of the Board will consult the Pastoral Council and the Parish Staff about the needs of IHM.

Lastly, I want to thank you for your support, encouragement, generosity, and prayers during these last 16 years! You have been a real gift in my life. For that I am grateful to you and God.

Fr. Bob

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

February 5th - 5th Sunday in Ordinary Time

I recently decided to learn to cook. As I sit at the feet of various YouTube cooking masters, I notice how much of cooking is adding ingredients that don't provide any more nourishment, like herbs and other seasonings. But man! They make all the difference because they make the meal delightful to eat and share.

Jesus calls his disciples "salt of the world." No one eats just salt. So, Christians are not meant to replace or do away with the world. They are meant to be agents of preservation and glorification. Notice how often these days the Church seeks to preserve what is threatened: the goodness of marital and family love, the desires of young people for greatness, the value of honest work, healthy economics, and altruistic political engagement, the dignity of the poor and vulnerable. Over and over, we say to a world who wants to throw things out, "It's worth saving! We'll preserve it! We'll show you it's wonderful." If we can't engage the world like that, Jesus says we are the ones who get thrown out, because salt alone is worthless.

Jesus only asks us to do for others what he does for us. He is the "salt" of everything in our lives. Is there something in your life starting to rot a bit? Something tasting bland and boring? Let Jesus salt it and see if you like it better. — Father John Muir

IHM Leader In Me

"From the 30th of January to the 3rd of February Immaculate Heart of Mary celebrated Catholic Schools week! Our school -as well as many other schools in the archdiocese- use this week to show off our school and religious pride. Each day had a different theme. This includes hat day, 80s day, PJ day, wearing our favorite color from head to toe, and to top it off at the end of the week, we all meet in the church wearing our leadership shirts. Catholic Schools week is so important to the IHM staff and students because it allows us to show off our school and Catholic joy."
