Twenty-Seventh Sunday in Ordinary Time

2

*"The stone that the builders rejected has become the corner stone..." - Matthew 21:42*

Jesus was rejected by the religious and political leaders of his day, as well as ordinary citizens, but he was still obedient to God, the Father. Similarly, living a stewardship lifestyle may cause you to be "rejected" by others, but we, too are called to be obedient. Saying grace before a meal in a restaurant may attract some strange looks from some. But to others it is a sign that God is alive and well!

# ILLUMINATION

## TWENTY TWENTY-THREE

We invite the entire IHM community to Illumination on Saturday, November 4<sup>th</sup> at the JW Marriott from 6pm to 11pm. This is a special evening of cocktails, dinner, dancing, silent and live auctions. Illumination is the main fundraiser for both Immaculate Heart of Mary parish and school. The funds raised allow us to: maintain and improve our facilities, support the salaries of our entire staff including teachers, continue our faith programming and youth activities, and support community outreach efforts. In addition, Illumination also funds specific projects. This year our fund-a-need goal is to raise \$25,000 to upgrade and add exterior lighting around the church and school.

### Ways to get involved:

- ◇ Become a corporate or family sponsor of Illumination
- ◇ Join us by purchasing a ticket(s)\* to Illumination event on November 4, 2023
- ◇ Donate to our auctions\*\* and/or wine pull.
- ◇ Make a donation to the fund-a- need project

**Please join us and get involved by visiting our event website [HERE](#), which includes all links for ways to donate, attend, and additional information on seating arrangements and event details.** Don't miss your chance to share your light as a family or corporate sponsor for Illumination (**deadline is October 5**). Click [HERE](#) to register as a family sponsor or buy tickets\* for this event held on November 4th at the JW Marriott.

We are within reach of our goal for the Father Bob Sims Legacy Endowment Fund (\$1000). If you are unable to attend the event, please consider making a donation to the fund-a-need exterior lighting project. We have raised almost \$7,000 of our \$25,000 goal. Don't forget to visit our website to support and celebrate Illumination 2023!

\*Reminder: October 13 is the deadline for all seating requests.

### Volunteer Appreciation Recognition

The Pastoral Council of IHM has initiated a program to recognize the work that so many volunteers do to make our parish a community. Profiles of these volunteers are published regularly in the parish bulletin.

Our next honorees are: MARQ BOGGS and MIKE DANIEL.

Marq and Stacy Boggs have been parishioners at IHM for 30 years. Perhaps you've seen Marq as an Usher at Mass, or, more likely, on the field coaching cross country, track and boys/girls basketball. Marq states, "I receive great joy from volunteering my time to various sports at IHM. I volunteer because I enjoy helping kids find their true potential within a sport. I love seeing the kids later in life and they still refer to me as Coach Boggs. Additionally, I have several amazing memories of city championships in both Basketball and Cross County."

Mike Daniel has been coaching 5th and 6th grade basketball for 13 years. Mike's wife, Angie Marshall, has been a member at IHM since 2014. Mike comments, "There are a few reasons I do what I do. 1) I love basketball. 2) I love coaching and teaching. 3) I see volunteering as a way to contribute a little something to the community based on the skills/ gifts I've developed throughout my life. 4) Coaching at IHM through the years has blessed me with the opportunity to get to know a set of 6-8 kids each year but, more importantly, a connection to 6-8 families each year. There have been some duplicates, of course, but add it all up and I've been able to get to know 60-90 families/ parents over the years and that has enriched the quality of my life in the Meridian-Kessler community. Many of those parents have become close personal friends and there is no doubt the time spent coaching their kids was a key time to establish the basis for those on-going friendships. A favorite memory: The collective experience is memorable and when a parent or former player comes up and shares a memory of the time we were together, that is special."

*Thank you MARQ AND MIKE!*

### **GOSPEL MEDITATION** October 8, 2023 - 27th Sunday in Ordinary Time

Jesus' parables are much stranger than most people realize. This week is an attention-getting example. He tells the religious leaders a parable about a completely absurd situation. Blood-thirsty and insane tenants violently abuse and kill the servants of their landlord. Inexplicably, the owner keeps sending them more victims of increasing value — up to and including his own son. Weird.

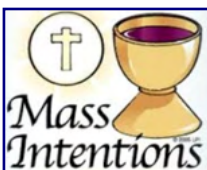

Usually, we hear this parable and assume it's an allegory: Jesus is the murdered son, the servants the prophets, etc. Fair enough. But notice — and here is where the weirdness deepens — Jesus seems to disagree with the Pharisees' interpretation that the landowner should and will punish the inheritance-obsessed murderers. So, is Jesus praising the psychotic and greedy murderers?! You can imagine the furrowed brows and deriding laughter as the scoffing crowd shuffles away.

If we stay with this tough parable, perhaps this truth emerges: God wants us to have an over-the-top obsession with a totally undesired inheritance. Of course, we are forbidden to use violence. But the parable's violence gets our attention because it highlights the crazy goodness of the landowner. Jesus reveals that God is not merely in the business of rewarding the good and punishing the bad. He is playing a much stranger game — one marked by a kind of over-the-top mercy, a breathtaking giving of what is not deserved. What would our week look like if we embraced this kind of desire for God's kingdom on earth, even if others think we're nuts? This week let's seek God's kingdom with a passionate confidence in God's desire to give the good things we don't deserve.

One way we use the 7 Habits at IHM is on the CYO sports teams. We use the habits by using good sportsmanship. Also, we show the habits by being kind and thoughtful to our teammates, coaches, and the opposing team. Similar to how we use the 7 Habits in CYO sports, we also can use them in gym class. We can use the habits in this class by respecting our peers and teacher.
