*"Brothers and sisters: I should like you to be free of anxieties."  
~ 1 Corinthians 7:32*

How much anxiety do we bring upon ourselves by constantly worrying about not having enough or attaining more things? God won't necessarily give you everything you want, but He will provide everything you need. Try this use the word "pray" instead of the word "worry" in the future. Then spend your time praying instead of worrying.

### IHM Leader in Me Program

Leadership is a very big part of our school's motto. In the classroom, we use the habit of "be proactive" constantly. An example of this is working on school assignments instead of playing games. But we use all of the 7 Habits, this is just an example. In junior high, we go on leadership retreats and there we play games and by the end of it, our teacher explains how we are being leaders in that particular game.

We also have many guest speakers come in and talk about things like outreaches, disabilities, & many more. All these things make us better leaders to everyone around us.

~Finn, Class of 2025

### Second Collection

You are invited to help strengthen families, fund Catholic education, & foster priestly & religious vocations by giving to the Collection for the Church in Latin America. For over 50 years, Catholics in the US have expressed solidarity with the Church from Mexico to the Caribbean, to the southern tip of South America through the Collection. **A second collection will take place 1/27-28.**

*Embracing our Threefold Call to Holiness as Priest, Prophet & King – Day of Reflection*

**Saturday, February 24, 2024 / 8am – 3pm**

During this day of reflection led by Deacon Bob Beyke, we will explore the question of what it means to be Priest, Prophet and King – and what that means to us. We will look at the three anointings of Christ from a biblical perspective with the goal of finding meaning in our own baptismal calling.

Registration per person includes Mass & lunch for \$45.

See the full calendar [HERE](#)

During Catholic Schools Week, let us remember one of the ministries of a parish is to educate well-rounded individuals in Gospel values, preparing those young individuals to take their eventual place in the larger secular community. All the educational efforts of the parish school are focused on the life of faith. That faith is formed in knowledge of the teachings of the Church and of the Gospel, and those qualities are demonstrated through a life of service to the community. A Catholic school is a community of faith, knowledge, and service, as a ministry of the parish community.

**Here is a prayer for our school students:**

**Let us pray...**

**God of knowledge and faith, thank you for the opportunity to go to a Catholic school.**

**When I go to Mass, I hear that knowledge is so important.**

**Thank you for my parents and grandparents who have built our school and supported it throughout the years.**

**Help me to be a good student and to become a good supporter of my parish, city, and country.**

**Please bless all those men and women who have spent their lives teaching in our Catholic schools.**

**Please bless my friends and teachers I learn with every day.**

**I ask for all these blessings in the name of God's Son, Jesus. Amen.**
