*“The community of believers was of one heart and mind, and no one claimed that any of his possessions was his own...” - Acts 4:32*

All that we are and all that we have is a gift from God! Think of your family, your friends, your life, your talents and your money – these are all gifts from God! We aren't really owners of anything, we are merely “stewards” of the gifts God has blessed us with. We are called to be grateful and generous with all of our gifts for the benefit of others.

**Leader in Me**

I use the Seven Habits every day at Immaculate Heart of Mary, even in ways that you might not think of. I am proactive by always doing my assignments before they are due, especially if it is a big project. Another habit I use on the regular is Begin with the End in Mind. I always write assignments down in my planner so I know when they are due. This way, I can create a reasonable and attainable goal so I can turn the assignment in on time. Finally, I Sharpen the Saw by eating a good breakfast, a healthy lunch, a good dinner, & then going to bed at a good time so I can do my best at school & extra-curricular activities tomorrow.

~Dylan, Class of 2024

**IHM School...Making God known, loved, and Served!**

Every day we live out our school mission, and it is especially evident in our *service* to others. Every Tuesday, we send Junior High students to Boulevard Place Food Pantry to deliver and organize food. We have formed partnerships with St. Anthony School to not only share Christmas gifts, but create relationships through pen pals and pizza parties. Our 7th grade students are beginning a reading program with St. Mary's preschool downtown. And this month, our Annual Service Day allows our students to make a difference for more than seven different community organizations.

[Divine Mercy Sunday](#)

In the early 1900s, a young Polish nun began receiving private revelations. Jesus appeared to her during her times of prayer, speaking a message of mercy and love for the world. She received a set of prayers — the Divine Mercy Chaplet — and the request to have a feast day established to remind the Church of the mercy of God. St. Faustina died in 1938, on the cusp of war and in the midst of one of the most violent centuries in the history of the world.

Her story and her diaries began circulating in Poland and beyond. It quickly became apparent that this was a holy young women, and the cause for her canonization opened. In the year 2000, she was canonized by the first-ever Polish pope, St. John Paul II. On her canonization day, he established the second Sunday of Easter as Divine Mercy Sunday, “a perennial invitation to the Christian world to face, with confidence in divine benevolence, the difficulties and trials that mankind with experience in the years to come.”
