"I am the good shepherd...and I lay down my life for the sheep...and they will heed my voice."- John 10:14-16

When you pray, do you only ask Jesus for the things that you want? Do you ever ask Jesus what He wants from you? How do you listen for His response? Many times Jesus responds in "quiet whispers" that are not so obvious. So, take time every day, in silence, to actively listen for His voice.

Leader in Me

The definition of leadership is the action of leading a group of people or an organization. I can use this by helping the leadership team and giving ideas that are helpful. I use this by helping at home whenever my parents need help. I also use this by being a leader for the younger students since I am in 8th grade and being a leader for my siblings. John Quincy Adams said, "If your actions inspire others to dream more, learn more, do more and become more, you are a leader." I will use all these things to help me continue to be a leader in my life.

I have learned more about leadership as an 8th grader and I feel that being a leader is a good thing to experience. I believe that being a leader will help me grow as a person. It will also help me not only grow academically but also in my belief in God. I will have more confidence and I will be better at decision making due to leadership. I want to be able to inspire others and help others believe in themselves by showing that I can do it since people look up to leaders.

I want to be able to make sure that I am a leader as I continue the rest of my year at IHM and as I go to Bishop Chatard High School, and college, and just the rest of my life. I believe that being a leader is making me more confident in myself that I can do things and that I can have a say in things and it is not always someone else's opinion. I want to become a better leader and also continue to be a good leader.

~Avery, Class of 2024

Grateful for the gift of God's Beautiful Creation

What a special gift to experience the total solar eclipse on April 8 right here at home! Our IHM School enjoyed the day off to use our special anniversary glasses to witness this remarkable example of God's creation. We are again reminded of the message from 2 Corinthians 4:6 "For God, who said, 'Let light shine out of darkness,' has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ."

IHM ATHLETICS

Congratulations to our 2024 CYO Awardees

Every year, our Indianapolis Catholic Youth Organization (CYO), recognizes the tremendous volunteers who make youth sports opportunities possible in parishes throughout the city. We are blessed at IHM to have a multitude of parishioners who give of their time and talents to create the outstanding team experiences for our parish children.

This year, CYO awarded four of our dedicated IHM parishioners for the positive examples they have been for our athletes, and the impact they have made on and off the fields. Congratulations to the 2024 CYO Award recipients at Immaculate Heart of Mary! **The recognition ceremony will be held Tuesday, May 14th 6:30-8:00pm at the Ss. Peter and Paul Cathedral.**

St John Bosco Award - John Gause is a previous award winner of the Msgr. Busald Award and has been involved in the CYO football program for over 20 years. John also served as IHM football coordinator for the last six years.

Spirit of Youth Award - Jack Kaplan is currently a junior at Cathedral and assisted coaching the Cadet A boys basketball team as well as helps with cadet boys volleyball. Jack is a great example for the young men following in his footsteps at IHM.

Msgr. Busald Award - Jennifer Neale has been involved coaching girls CYO volleyball for over 18 years before coaching her own kids and winning several City Championships. She currently coaches CYO boys high school basketball.

Msgr. Busald Award - Paula Ryan has coached volleyball and basketball for 20 years, and began well before her kids were involved. She has served on our athletic commission & now serves IHM as our Sports Ministry Director.

[Reflection](#)

If you ask me to tell you about one of my sons, my daughter, or my wife, I could spend quite some time elaborating on them as individuals and my interactions with them throughout the years. An authentic relationship leads each party into a rich knowledge of the other. If I have little to say about someone other than some incidental information or gossip, I cannot claim to really know him or her.

Indeed, every relationship has expectations. If we do not know the needs of the other or the responses expected in living out the relationship, we easily create division and separation. I do certain things for my children because I am a parent. I respond in certain ways to my wife based upon her needs. If I am oblivious, or just don't care, the relationship will move on a path toward hurt, pain, and in some instances, permanent separation.

To know Jesus is to love Jesus. The key is you actually have to know him. Knowing him is listening to his words and keeping his commands. Just like in all relationships, we will fall short at times. However, because we know the expectations we can then make amends and continue to grow together. So if I asked you to tell me about this friend of yours named Jesus, what would you say?
