## The Mission of Immaculate Heart of Mary

The Immaculate Heart of Mary parish strives to be a vibrant Catholic community with the Gospel of Jesus Christ as our guide. We invite all to strengthen their spirituality and develop their relationship with God through dynamic liturgy, life-long learning, and sharing faith within and outside our community.

“Then he took a cup, gave thanks, and gave it to them and they all drank from it.”

~Mark 14:23

Jesus, the perfect steward, gave thanks, just before He gave Himself up for us, completely for our salvation. He offers us the same chance to drink from His cup. In the bread and wine, we meet Christ personally. If we follow Him, drinking from His cup means we offer our own self-sacrifice, using all of our gifts for the benefit of others and to do His work on earth.

Leader in Me

In school we are taught the 7 Habits, but how do we use them? Hi, my name is Henry and this is how I use the 7 Habits daily. The habit that I take very personally is “Put First Things First”. I use this at home and at school for assignments, tests, and chores. The second and final habit I love is “Synergize”. I love synergizing because it wants you to do good, even when no one is watching you. Overall the 7 Habits are lessons that not only improve you as a person , but also as a co-worker, student, and friend.

Gospel Meditation~ Encourage Deeper Understanding of Scripture

The best way to understand the Eucharist is to recall God’s long, careful teaching process beginning in the Old Testament. This week in Exodus 24, we learn the basic pattern. Moses reads the dictates of God’s law to the people, who profess their allegiance to it. Then Moses takes representatives of Israel’s twelve tribes and splashes the sacrificed blood of animals in two directions: on the altar and on the people. It’s clear and serious business: clear, because the participants are entering a blood-bond with God Himself; serious, because the dead animals symbolize the life-and-death stakes at play.

Many centuries later, God uses the experience at Sinai to teach us something new. At the Last Supper, like a new Moses, Jesus proposes to “pour out” blood as a new covenant. It will land on the altar of the cross and the lips of his disciples. They have promised to be obedient to him who is God’s law in flesh. This renews and elevates the breath-taking romance God wants with His people, unfolding from Sinai to this Supper. The Body and Blood of Christ is the sacrificial action whereby this covenant is strengthened.

How hopeful that, like us, the Israelites and the apostles repeatedly fail to live up to their promises and discover that the blood of the covenant continually renews and refreshes them. Today the blood of Christ faithfully flows, to unite and renew, moving us forward toward where our great teacher is taking us. This week, we should say a renewed “amen” to God who so carefully teaches us how to be one with Him in this new covenant.
