*"If a kingdom is divided against itself, that kingdom cannot stand." Mark 3:24*

Within your parish community, do your ministries collaborate with each other or do they compete against each other? Do your parish ministries work for the greater glory of God or do they work for the glory of the people running them? The primary goal of parish ministry is not to increase Mass attendance, increase the number of volunteers or increase offertory. The primary goal is to be one Body of Christ that helps people take one step closer to Jesus. If it's not doing that, it's not worth doing.

### [Recognize God in your Ordinary Moments](#)

Creating a family, bringing that family physically into the world, was the hardest and most painful thing I ever did. The care and keeping of that family — the teamwork with my spouse, the feeding and watering of the children, the teaching of the writing and the reading the and praying — it's very hardcore. It's not all stuffed animals and peekaboo. It's a mental, spiritual, and physical challenge that daily brings me to my knees.

I'm not even talking exclusively about parenting young children. I'm talking about being part of a family in any way — being a son, being a daughter, being a sister and cousin and uncle. Families are complicated and strange and messy. Sometimes boundaries need to be drawn, or they need to be crossed. Sometimes walls need to be put up or torn down. It's never easy. It's never simple.

But I've never known someone who didn't want to be part of a family in some way, whether that's a blood family or one created by circumstance. And there's a reason Christ creates a family ("Whoever does the will of God is my brother and sister and mother") and not a club.

A family is a crucible, yes — but what comes out is so much more beautiful than what went in. For all the effort and even pain that is sometimes involved in a family relationship, there is nothing more defining, more fulfilling.

We are part of Christ's family, and what we can expect from that is certainly not a life of simple, clear-cut, undemanding discipleship. We can expect confusion. We can expect discomfort. But we can expect to be perpetually drawn to the heart of one who loves us without hesitation, without condition.

In the end, we're family.

*"Here are my mother and my brothers." ~Mark 3:33*

By Colleen Jurkiewicz Dorman

### Become a Family on Mission

Fostering a love of Jesus Christ in the Eucharist within our homes will have a profound impact on how we love others outside of our homes. In order to make this experience as fruitful for your family as possible, we've designed special amenities and experiences just for you.

Enjoy vibrant keynotes that will speak to both parents and children of all ages, engaging worship music, & opportunities for family discussion. You'll hear from prominent Catholic speakers like Fr. Leo Patalinghug and Ennie & Cana Hickman.

These morning sessions will feature opportunities for prayer as a family that are impactful for adults and designed with children in mind.

Not yet registered? Click below to get your Congress Passes before they sell out!

### National Eucharistic Revival

St. Thomas Aquinas offers June presentations on the Real Presence of Christ in the Eucharist. All are invited to attend these sessions, which will be offered every Thursday night in June at 7:00 PM.

Topics they will cover:

- June 13th – Scripture references to Eucharist and what Jesus says about this sacrament;
- June 20th -- How the Eucharist sustains us on our spiritual journey and helps us recognize that our participation in the Mass is an offering of ourselves to God;
- June 27th – The personal journey of STA Parishioner Jay Kiesler -- from blindly accepting Catholic Dogma (mind) to believing the words of Jesus (heart).

### ARE YOU FEELING SPONTANEOUS?

As the National Eucharistic Congress rapidly approaches, would you consider taking at least a small group of high-schoolers and/or middle-schoolers to this historic event—right in our back yard?

It's not too late to register for the NEC youth track (if you've not already done so). Maybe at the eleventh hour, the Holy Spirit will move you and a few teens to capitalize on this uniquely good opportunity.

Please prayerfully consider assembling a small commuter group for what could be a once-in-a-lifetime experience. See the link below to learn more!

<https://www.eucharisticcongress.org/impact-sessions#Awaken>

### Volunteers Needed

National Eucharistic Congress (NEC) is in need of volunteers for the Eucharistic Congress. There are many full-time and part-time volunteer opportunities available that we are asking for your assistance in helping to fill.

The scope of the daily commitment for full time dedicated volunteers is from Tuesday, July 16 at 9:00am until Sunday, July 21 at 2:00pm. (This includes a full day of volunteer training prior to the kick-off of the event on July 1st.)

For those who are unable to serve the entire time, daily part-time volunteer shifts in a variety of roles are open. The greatest area of need is full-time volunteer ushers. This role entails greeting guests at sessions either in Lucas Oil Stadium or the other large programming halls at the Convention Center.

The benefit of this job is that ushers get to hear much of the Congress programming for free! This is a great opportunity for young adults, college students, retirees, or anyone who is looking for an affordable way to be a part of this historic event. For more information on volunteer opportunities, and to register as a volunteer, please see the link below!
